

# Pedal Impulse Sealer

PFS-350/450/650/800

Pedal impulse sealers are ideal for high volume poly bag and other thermoplastic sealing. Capable of sealing 15-20 bags per minute, foot sealers keep both hands free for quicker and more accurate sealing.

**Applications:**

PFS series pedal sealers are widely applied to seal all kinds of plastics films, compound films and aluminum-plastic fill. They are considered the most convenient and economical sealing equipment for shops, small family-owned businesses and factories.
